“ Becky, Jimmy, and Marty... I am so sorry to hear of Aunt Doris' passing. Your mom was a wonderful and special lady. I never recall a single instance throughout all my childhood and adult memories of her being anything but kind, gentle, and caring to all those she touched. I so appreciated how she watched over Mother and Aunt Katie in their later years and continued to stay in touch with me with cards and letters as long as she was able. As I reflected on her spirit today after I heard the news, the hymn "Softly and Tenderly Jesus Is Calling" came to mind. She lived her life sweetly, softly, and tenderly and is home now. Love to you all.

“ When we remember Mrs. Doris, we will remember the joy and kindness she passed on to everyone she met. Her Christian character influenced so many in her community. Even though it had been a while since she was able to attend, her church never forgot her. Love, Keith & Karen

“ This was one of the sweetest ladies I have ever known and a very good friend. I have not gotten to see her as often as I wanted too since she moved to Florida, but we talked & shared letters. To her children, grand & great children just remember all the good memories you have of her, because she loved you much. I will truly miss her but I know she's in a much better place than we are on this earth. Praying for you all, much love, Winona
