“ I would like to express my deepest condolences to your family, and friends. When we lose a loved one we sometime question why did God take my family member. Many people are angry, even upset, It's normal to feel that way but be assured that the Creator Jehovah God feels your pain, and he sympathizes with your sorrow. What has help me and my family to deal with these feeling is God's Word the Bible, which promise it hold out to us so we can see our love one again. (Revelation 21:3, 4) Very soon all our tears of sorrow will be turned into tears of joy, as this is Jehovah God's promises to all of us. "What Happens When You Die?"
