“ So sorry to hear of your loss, Jen and I spent a lot of time together in high school. She introduced my husband and I and I will never forget our memories together, in gym class and cheerleading. She always carried a smile, she will be missed although we hadn't talked in a long time.

“ Jen was a student of mine at CCS. She was a joy to work with and always helped brighten my day. She once told me that sister, Gracie's nickname was Toots! As I read of her untimely passing, that memory came to me and once again, Jen brought a smile to my face.

“ Jennifer's heart was so large. Marque always recalls how she was always concerned for and loved the smallest of God's creatures. She will be greatly missed by so many, especially her husband who did and will always adore her. May her memory be Eternal.
