“ I am terribly saddened by the shock of my dear sweet friend passing. We would talk for hours on the phone when he was driving on the road, an we would video chat. We carried on some funny conversations we , laughed and joked about crazy things. We talked about family. He talked about his mama an how much he loved her. He was truly special to me. We shared our love of the Lord , he had faith an was living his life better than ever and I know he is with the Lord. He had a twinkle in his eyes , always smiling and joking around. We laughed a lot together. I truly enjoyed being his friend . We were suppose to have dinner one night when he was home, We never did. I know I am going to miss him terribly. I loved him so much he was a special young man. I will hold him close in my heart forever. I will look to see if he is in Walmart looking for me, for I was told by my co workers that he had come by to visit me his Aunt Joan.I am lifting his family up in prayer especially his mama. My heart hurts with you all of you. God Bless you .

“ I am very sorry for your loss . Losing a loved one in death is such a difficult thing to experience . Please be comforted by the promises in the Bible . Jesus tells us at John 5 : 28 , 29 that all those in the memorial tombs will hear his voice and come out . What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones live again one day . Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure this most trying time . For more Bible promises please visit jw.org .
