“ Rita and your family We are sorry to hear of Roger's passing. He was always kind to me and my family. Indeed, he loved to sing and I have had that wonderful privilege to have played music with " The Haire Family. He always blessed my heart to hear him sing and play for Jesus.

“ Rita: We are so sorry for your loss. Back in the day, we were named "diesel sniffers" by a certain Pastor from following the Haire Family to their singing engagements. Roger has joined other great singers in the heavenly choir now. One day we will all be reunited with him & others. I know "Big Granny" (Randy's mother) is right there singing with Roger. Sending our love & hugs to you & your family.

“ Roger Haire had a good personality. Roger and me hit it off together many years ago. I love to sing. Roger loved to sing. Roger was good on the mandolin. I played guitar. Every time he would see me, he would say sing me a little bit of that "POOR RICH MAN." I would do it for him. I will miss him. Roger may have been poor on this earth, but he is home walking on gold.
